VICTOR MARTINEZ HELD FOR BURGLARIZING STORE

Alleged That He Stole \$100 in Cash, Pair of Trousers and Two Watches

Hodophil Martinez arrested yesterday afternoon by city officer Priestley and Deputy Sheriff Bellamy evidently believes in being fair. Sometime during Friday night he entered the store of Grossman, 132 Chaparral street and is alleged to have secured \$15 in money, a pair of trousers and two watches. The discovery of the loss was made by Mr. Grossman when he opened the store early Friday morning.

Later in the day Martinez entered the store in the role of a purchaser and proceeded to buy a number of articles including a suit of clothes, it being presumed that he was spending a part of the money alleged to have been stolen. He was wearing a pair of trousers which Grossman says were the ones stolen from his store. He notified the officers and later they located Martinez and placed him under arrest. A companion, Victor Guinnane, was arrested at the same time and is being held for trial.

E. R. SCHENDEL GIVEN MANAGEMENT OF BRANCH

Well-Known Representative of Underwood Typewriter Company Receives Distinct Promotion.

E. R. Schendel, for five years sales manager in the Corpus Christi territory for the Underwood Typewriter Company, yesterday received notice from the district office in San Antonio to report there at once, when he will be given the management of the Austin branch of the company. The transfer, while taking Mr. Schendel away from a section wherein he has many friends, comes as a distinct promotion for good service and was received by his friends here in that spirit. He leaves Sunday for San Antonio and will take charge of the Austin office next week.

Mr. Schendel came to Corpus Christi in 1910. He has "grown with the town" and has established in that time an enviable place in the business life of the city. While Corpus Christi has been headquarters from which he worked and therefore has seen more of him than other sections of the territory, he is known throughout the entire lower Rio Grande Valley and far up the river toward San Antonio, the division over which he had charge extending over several counties.

He is a Corpus Christi Rotarian and is otherwise closely identified with local interests. "It's hard to go," he declared last night.

His place will be taken by Don Blankenship, who is at present in the San Antonio territory but who is also well known in this section. Mr. Blankenship joined the Underwood sales staff from Corpus Christi. He will take up his new duties here Monday.

City News :: :: :: in Brief

President Lee J. Roundtree, of the National Editorial Association who is spending the latter part of the summer in Corpus Christi, has received an invitation from the Colorado Editorial Association to witness that body at its mid-summer meeting at Glenwood Springs, Sept. 12th and 13th. Colonel Roundtree has been asked to speak on "The National Editorial Association and Its Future." He has not decided fully as to the advisability of making the trip, but may decide in the course of a day or two, when he expects to make a flying trip to Georgetown, in order to get in touch with his very excellent friends, the Georgetown Commercial.

Ed Grant manager for the Browns, the local major baseball organization, states that 1910 is shaping the best Alabama State League with the Indians and Browns well ahead of the rest, and Monday afternoons for games with his team. The game will start each of the afternoons at 4 o'clock. A special section of the grandstand will be reserved for white fans.

By error the Caller in its Friday issue stated that the sixth installment of the serial story "The Broken Coin" would be shown at the Amico yesterday. The notice should have stated that the installment of "The Goddess" would be the attraction. Today's bill at the Amico is "The Broken Coin" and two other reads.

O. H. Johnson, secretary of the Retail Merchants' Association yesterday announced that the one hundred and sixteen merchants of this city who are members of the association, have agreed to close their places of business all day Monday on account of Labor Day.
